transactions and governance.*

FIRM PROFILE

INDER MOHAN SINGH

in

Inder Mohan Singh is the Founder of IMS Lex Advisory and brings over three decades of experience advising businesses, promoters and boards on corporate law, mergers and acquisitions, governance and succession planning.

His career reflects a rare combination of in-house leadership and top-tier law firm experience. Mr. Singh has spent more than 17 years as the General Counsel of a listed company, where he was closely involved in corporate strategy, governance and complex transactions. He subsequently served as a Partner/ Equity Partner at a Tier-1 law firm for 19 years, where he advised various Indian as well as international clients on domestic and cross-border transactions, corporate restructuring and regulatory matters.

Over the course of his career, Mr. Singh has advised leading corporates, multinational companies and promoter-led enterprises across various sectors including automotive, manufacturing, cement, media, information technology, telecommunications, energy solutions and education sector. His practice has consistently focused on high-value corporate transactions, strategic restructuring and governance advisory.

Mr. Singh has led numerous high-value transactions involving acquisitions, divestitures, joint ventures and corporate re-organisations. His experience includes advising listed companies and multinational conglomerates on complex share purchase transactions, business transfers, and cross-border investments, as well as strategic corporate restructuring through schemes of arrangement (amalgamations as well as demergers).

INDER MOHAN SINGH in

During his tenure with one of the top law firms in India, Mr. Singh has advised several prominent corporate houses and groups including NIIT Group (comprising of various group companies, including NIIT Limited, NIIT Learning Solutions Limited, NIIT Technologies Limited), HCL Group (including HCL Technologies Limited, HCL Infosystems Limited, Shiv Nadar University), Teledyne Group, Stylam Industries Limited, Alliance Group, Asian Cements Limited, Dharampal Satyapal Group, GIIS Singapore, Nord Anglia Education, Pathways Schools, Jaipuria Schools, Khaitan Schools, Monash University, Dalmia Group, HT Media Limited, VE Commercial Vehicles Limited and several international education groups.

In addition to his corporate transactional and advisory work, Mr. Singh developed a significant private client and promoter advisory practice, assisting business families with succession planning, structuring family trusts, and governance frameworks designed to ensure continuity of business ownership.

Mr. Singh has also played an active role in board governance and currently serves as an Independent Director on the boards of Eicher Motors Limited and Volvo Eicher Commercial Vehicles Limited, contributing to governance oversight and strategic decision-making at the board level.

Through IMS Lex Advisory, Mr. Singh continues to advise promoters, companies and investors on complex corporate matters that require deep transactional experience, regulatory insight and a practical understanding of how businesses operate.

OUR PRACTICE

IMS Lex Advisory provides a broad spectrum of corporate legal advice, including board-level corporate counsel across general corporate matters, commercial transactions, complex structuring, governance and succession, combining decades of institutional experience with strategic, promoter-aligned advisory.

CORPORATE ADVICE

IMS Lex Advisory advises boards, promoters, founders and senior management on core corporate governance, structuring architecture and strategic decision-making. Our founder, Mr. Inder Mohan Singh brings in more than three decades of legal experience, including over 17 years as General Counsel of a listed company and over 19 years as an Equity Partner at India's leading law firm. He brings a rare combination of internal business insight and a deep understanding of complex and intricate corporate matters.

IMS Lex Advisory's general corporate practice spans the full corporate lifecycle:

Corporate Structuring & Group Architecture

- Formation and structuring of companies, subsidiaries and joint ventures
- Holding company structures and multi-entity group models
- Internal reorganisations to align businesses with sector-focused verticals
- Restructuring of promoter shareholding and control frameworks

Our Founder has advised diversified business groups on streamlining complex entity structures and creating efficient corporate frameworks aligned with growth, investor participation and succession planning. He has led transactions involving automotive manufacturing businesses, IT and technology acquisitions, cement and infrastructure reorganisations, and large-scale education sector institutions.

Shareholder & Joint Venture Advisory

- Drafting and negotiation of shareholders' agreements
- Joint venture structuring with Indian and multinational partners
- Minority protection and control rights frameworks
- Exit mechanisms and dispute mitigation structures

CORPORATE ADVICE

Our Founder has advised on strategic alliances across automotive, manufacturing, telecom, technology and education sectors, ensuring commercial balance while safeguarding long-term governance stability.

Corporate Governance & Board Advisory

- Advisory on board composition and governance process enhancement
- Alignment of governance practices with regulatory expectations
- Advisory on promoter risk mitigation and oversight mechanisms
- Board-level advisory on governance vulnerabilities
- Long-term compliance architecture planning

This practice is guided by our Founder's practical exposure as both as an in-house counsel and his current position as Independent Director on the boards of leading automotive companies. This further strengthens his ability to advise from a boardroom perspective rather than a purely transactional view.

MERGERS & ACQUISITIONS

Our M&A practice is built on extensive experience advising listed companies, promoter-led enterprises, and multinational corporations in complex domestic and cross-border transactions. Our role typically extends beyond documentation to strategic deal structuring, regulatory strategy and overall transactional oversight.

Strategic Acquisitions & Divestments / Cross-Border Transactions

- Share purchase and asset purchase transactions
- Transactions resulting in change of control for listed entities
- Slump sales and business hive-offs
- Strategic divestments in listed companies
- Multi-stage acquisitions with performance-linked payouts
- Promoter exits and consolidation transactions
- Regulatory approvals and exchange control compliances
- Engagement and coordination with foreign counsels

Our Founder has experience working with various domestic as well as international players, and has advised on transactions involving US, European and Southeast Asian counterparties, particularly in automotive, technology and education sectors.

REGULATORY & COMPLIANCE

Our Founder has advised multiple listed entities on complex regulatory-triggered transactions, including open offers arising from change of control, restructuring of promoter holdings, schemes of arrangement, and court sanctioned restructurings.

Listed Company & SEBI Advisory

- Compliance under SEBI Regulations
- Disclosure obligations and public announcements
- Takeover Code advisory
- Buy-back regulations
- Insider trading & governance policies
- ESOPs and RSU Schemes

Schemes & Court Sanctioned Restructuring

- Drafting and structuring complex scheme of arrangements
- Demerger and amalgamation transactions
- Creation of pure-play entities across sectors
- Court approvals and regulatory filings

Our Founder's restructuring experience includes assisting large industrial groups that are seeking to either consolidate similar business or demerge separate business verticals into independent value-driven entities.

Sector-Specific Regulatory Advisory Education Sector

- Education sector compliance under UGC and state university regulations
- Deemed universities / private university or UGC framework for Foreign Universities to set up Campuses and operations in India
- Regulations and framework for K-12 sector, governance structures & regulatory compliances for affiliation viz CBSE, ICSE, IB, Cambridge, RTE and State fee regulations.

PRIVATE CLIENT PRACTICE

Our Founder has developed an illustrious private client advisory practice focused on promoter families and high-net-worth individuals (HNIs), particularly in respect of operating businesses and listed holdings. This practice integrates family governance, corporate shareholding and regulatory strategy.

Succession Planning & Wealth Structuring

- Structuring and drafting of family trusts
- Integration of trust structures with company shareholding
- Ensuring regulatory compliance in succession transitions
- Preservation of control in listed company environments
- Structuring for stability during generational transition

Family Governance Frameworks

- Drafting family constitutions
- Designing governance protocols for business families
- Family settlement documentation
- Dispute-prevention structures

Our Founder's private client work is distinguished by sensitivity to family dynamics, combined with technical understanding of company law, securities regulation and governance implications, making IMS Lex Advisory a trustworthy legal partner for its clients.
